

## Strawberry Lemonade Baked Donuts

Author: Peace Love & Eat Cake

Category: Desserts

Prep time: 15 minutes

Bake time: 6-8 minutes

Yield: 14-16 donuts

### Ingredients:

2 cups flour

1 1/2t baking powder

1/2t salt

3/4 cup sugar

3/4 cup buttermilk

2T melted butter

2 eggs

2T whole milk

1T vanilla

2T lemon juice

zest of 1 lemon

1 cup strawberries, diced

### Icing:

1 cup strawberries, diced

2T sugar

1/2 cup powdered sugar

### Steps:

-Preheat oven to 425 degrees

-Add only the first two icing ingredients to a small bowl and set aside to let juices form

-Combine flour, baking powder, salt, and sugar in a large bowl and mix together

-Add all wet ingredients to the dry and mix together

-Gently fold in diced strawberries, mixing until just combined

-Scoop or pipe mixture into prepared donut pan

-Bake for 6-8 minutes or until donuts spring back when touched

-While donuts are baking, you want to finish making the icing: add powdered sugar to a bowl and add the juices from the strawberry/sugar mixture. You'll get a pretty pink icing for your donuts. You may need more juice or powdered sugar, depending on your desired thickness.

-Once donuts are cool enough to handle (but still warm), remove from pan and drizzle icing on top of each, then eat immediately!
